

Browning Command Ops Elite 22

The Command Ops Elite 22 line of trail cameras from Browning has been updated to deliver big performance in a small package. The crisp 22MP image capability and Illuma-Smart Technology ensures the very best quality pictures of your game, day or night. Add in the fast 0.3 second trigger speeds and a robust 20 metre detection range and you are sure to capture anything that steps out in front of your game camera. The Command Ops Elite series also features upgraded 900p HD+ videos with sound, to capture the best videos possible of game activity on your property, while still delivering users the best battery life in the industry.
